Position/Job Description

- Oversees and manages the pre-production, production and post-production stages of DOSTv programs by coordinating with involved agencies, offices, clients, suppliers, and program guests; preparing and submitting the production schedule and shoot guide for approval; overseeing the flow of the production shoot and assigning staff; checking and ensuring that all broadcast materials/ creatives (video and graphics) for all DOSTv programs are edited, approved and ready for airing; ensuring that all dumped video and audio materials are properly transferred; and preparing the necessary travel/ administrative documents for the production shoot.
- Prepares various proposals, documentation, and reports ensuring accuracy of information and timely submission.
- Oversees the preparation of scripts, presentation materials, collaterals, and all other content by providing direction, writing, reviewing, editing, approving content and source information.
- Works/coordinates with all concerned parties to ensure that content for various communication purposes, channels, and platforms meets the prescribed standards of accuracy, adequacy, consistency, and timeliness.
- Obtains, collates, and analyzes information on the reach and effectiveness of DOSTv programs to create content and promotional material that is relevant and suitable to the different audience groups of DOST-STII.
- Takes photographs for various purposes such as displays, presentations, publications, coverage of various events, and for documentation purposes by applying basic knowledge and skills in operating various image capturing devices such as phone, tablet, camera, and accessories.
- Performs tagging of video footages for sharing, archiving and easy retrieval.
- Conducts video documentation and production of DOSTv events/activities by applying the best video capturing practices and adhering to prescribed quality standards, procedures, and policies.
