Rationale/Objectives:

In accordance to the National Women's Month Celebration every March, the Proclamation No. 227 s. 1988 "providing for the observance of the month of March as Women's Role in History Month" as one of the legal basis and spearheaded by the Philippine Commission on Women, DOST 1 took part in the 2018 Women's Month Celebration with the theme, "***WE Make Change Work for Women!***". The celebration paid tribute to all women leaders who passionately led and continue to advance women's advocacies.

The 2018 celebration was conducted to inform and engage women as stakeholders of government programs and services to promote citizen-centric governance and make "change" a conscious effort to know, understand, and provide what ALL citizens need. It means putting in place functional mechanisms as well as implementing and making known to citizens, programs and services that address strategic gender needs of women.

In view of the celebration, the DOST 1 GAD Focal Point System (GFPS) organized various activities for DOST RO I staff. Furthermore, DOST 1 staff participated in all activities organized by other agencies.
