

DOST 1 RECOGNIZES ITS EXEMPLAR EMPLOYEES IN 2020

The Department of Science and Technology Region 1, thru its Program on Awards and Incentives for Service Excellence (PRAISE) Committee, recognized its employees for their superior accomplishments, personal efforts, and other extraordinary services in the public services during the CY 2020 Year-End and General Staff Meeting conducted last December 18, 2020.

“I would like to congratulate all of you for job well done and I would also like to give my thanks and gratitude to all staff because you have become a major part in the attainment of our objectives. It is very heartwarming to note that all of you are part of this accomplishments. Let us sustain this practice to recognize the exemplary performance of all DOST 1 employees.” Regional Director Armando Q. Ganal said during his opening message.

“Aiming for the GADTIMPALA award next year, the implementation the Gender and Development Program for this year is very successful because of the cooperation of all GAD Focal Point System members. Thus, we would like to recognize the efforts for the enduring commitment and support they bestowed.” Ms. Racquel M. Espiritu, ARD for Technical Services and Head of the GFPS-Technical Working group, said.

Recognition of employees' efforts for the organization has long been a cornerstone of effective management. It also helps them feel that they are valued and their contributions to the success of the organization.
