

## PRESS RELEASE

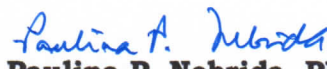

### DOST I Women's Month Celebration Highlights (March 20, 2018):

#### *5S, the productive and systematic way*

Dr. Ismael Gurtiza, DOST I Planning Officer, shared his knowledge and expertise on the "Productivity of the Workplace through 5S". Nowadays, efficient and effective working environment of agencies are fueling up through leaner operations. Adoption of practices is important to eliminate wastes, create cost savings, and establish an environment of continuous development and productivity. 5S offers a systematic way to obtain all of this in five clear steps, namely: Seiri (Sort); Seiton (Set in Order); Seiso (Shine); Seiketsu (Standardize); and Shitsuke (Sustain).
